MICHELLE & DANNY

Michelle is a woman of few words, but she knows how to let her mouth do the talking. Especially when there is a big cock right in front of it. That's enough to get her pussy hot and moist. She also knows when to shut her mouth and let the cock do what it's supposed to do.

heat under the sun

I'm a construction worker, so I don't usually get the chance to get my rocks off while I'm on the job. But the other day I saw something so breathtaking I literally had no choice but to beat off under the hot sun.

I was busy roofing a home when there, lying by the poolside, I saw the prettiest young girl I've ever seen. Since I still don't know her real name, I'll call her "Angel," because that's how I thought of her.

My cock throbbed at the sight of such a fuckable young thing—she looked like maybe 18 years old. Her skimpy bikini revealed her hard nipples, and the crack of her pussy showed through the material too.

She wriggled around on her patio chair and adjusted her little teen titties under the fabric, exposing more tit flesh to the sun. In order to get an even tan, she finally removed the bikini bra, lying completely topless.

I almost fell from the roof. I lost my balance from paying too much attention to that firm flesh and her long, strawberry-blonde hair. She wiggled around on the chair and moved her hand slowly over her adolescent titties. They looked as firm as two rocks. She had smooth, lightly tanned skin.

Angel started playing with her pretty little titties, circling all around the flesh. Her nipples snapped back after she tugged and pulled on them with her fingers. She was holding both titties in her hands as she rubbed and pushed the sweet flesh around.

By now my cock was bulging in my work pants, and the material felt pretty tight around my crotch. I just had to undo my work belt and drop my zipper. I needed to give my hot, sweaty cock the freedom it desired.

Playing with her own titties was turning Angel on because she soon moved a slender hand down over her flat tummy and toward her young cunny. From my spot on the roof, I could tell that the pretty blonde's sweet cunny had almost no hair. Her bikini line was quite smooth and bare; but, as she slipped

her hand inside the panties, I could see a very small tuft of strawberry curls. The sight was magnificent; I could almost smell the freshness of her youthful cunt. I really wished I were down there to take the

sweet scent in.

With one finger, Angel traced up and down her cunny crack, squirming around under her own touch. Her hips moved up and down gently where she lay. Then she drew the panties down her slender, tan legs and lay down completely nude. She put two fingers in her mouth and sucked them for a few seconds, then inserted them into her precious cunny.

I still couldn't believe what I was seeing—but

I was in no way going to waste this opportunity by turning away from Angel. It was time I found some relief of my own, so I grasped my hard cock and started to beat off in time with Angel's motions.

By this time Angel was pumping her pussy hard and eagerly; I thought I heard the pretty angel whimper at the sensation of her own wet fingers pleasuring and tickling her most delicate area. Her tummy seemed to shiver a little bit, and she threw her head back and closed her eyes. She must have been having one hell of an orgasm because her hips

remained raised for a few minutes and her finger-pumping increased to a rapid rate.

Angel stood up, and I swear you could bounce quarters off that beautiful, young ass. Every inch of

her was tight with skin that would snap back like elastic. I started pumping my cock faster now. I wanted to get off before she moved out of my vision. Angel went into the house, but she returned right away. She was carrying something that looked like a small vibrator.

Angel lay back down and spread her legs open. With one hand she pulled her cunny-lips apart. With the other, she inserted the vibrator into her cunny. It must've been a tight fit because she winced a little. She wiggled her hips around with the vibrator inside until she seemed more at ease. Then she pressed down on her mound, applying weight to the vibrator inside her cunny.

Angel got up and elegantly dived into the pool. I can only imagine what heaven she must have felt. The hot sun beating down on her, the refreshing feel of the cool water hitting her tan skin, and all the while that little sex toy tickling her tight cunny. She did a few laps and then quickly got out, dripping with water.

I shot my sauce all over and into my toolbox! Angel smoothed a towel on the ground and lay down, tummy-down...still nude. She pressed her mound hard into the ground and humped with a definite rhythm, slowly increasing the speed of her thrusts. The toy she had stuck up her cunny must have been acting as a cock inside her, tickling and squeezing all the right places.

She reached her arm behind her and stuck a finger into the crack of her firm ass. She continued to hump while she fingered her ass until once again her body seemed to explode with orgasm. I was back at my cock, beating it as hard as I could, imagining I was screwing that gorgeous girl's young cunny until I filled her with my sauce.

Angel removed the little vibrator from her tight cunny and put her bikini back on. She looked up at me and, giggling, gave me a wink and a wave! Her whole performance had not been just for her own benefit!

— Rick, Michigan

She reached her arm behind her and stuck a finger into the crack of her firm ass. She continued to hump while she fingered her ass until once again her body seemed to explode with orgasm.

As I had her legs over my shoulders, my thrusting her in motion, there were knuckle cracklings from her legs, and joint cracklings from her legs, too.

knocked her socks off

I'm a 35 year old male who is just a horn-dog at heart. Whenever there is available pussy around, I'm on it. That just happens to be the case with my 27 year old neighbor a few doors down the street. Actually, she is on the other side of the street and her husband parks exclusively in the driveway, so I know when he is home and when he's not.

We've been fucking for about two years now, her name is Anita, she's wild in bed and satisfies me to the bone. It started off one night when she allowed me in her room and she let me lock the door behind me. She had been wearing an opened nightgown with her big boobs exposed and only panties underneath.

As I talked to her, I placed my hands on her shoulders attempting to give her a massage. She let me put my hands on her body as I worked my way below, massaging her back then her waist. I gently put my hands on her full boobs caressing them, moulding them, and fondling her body.

By then she became putty in my hands & her body was mine. I had her legs over my shoulders as I seduced her the entire night. I tongued her simultaneously as I had my hands all over her body. As I had her legs over my shoulders, my thrusting her in motion, there were knuckle cracklings from her legs, and joint cracklings from her legs, too. As I fucked her, I had her stretched out in the wishbone, as I was between her legs the whole night.

The bed rocked back and forth, pounding loud

and her loud moanings were the only sounds in the house. She told me I had reopened her pussy hole very deep but good. I must have knocked her socks off when I had anal sex with her, because she became very quiet for moments. I put my dick in her ass, stuck it in I did. I stared at her as she had her mouth open and her eyes were rolling inside out, telling me to leave it in there because it felt so good. I popped her anal cherry and till this day we still have sex as manic as

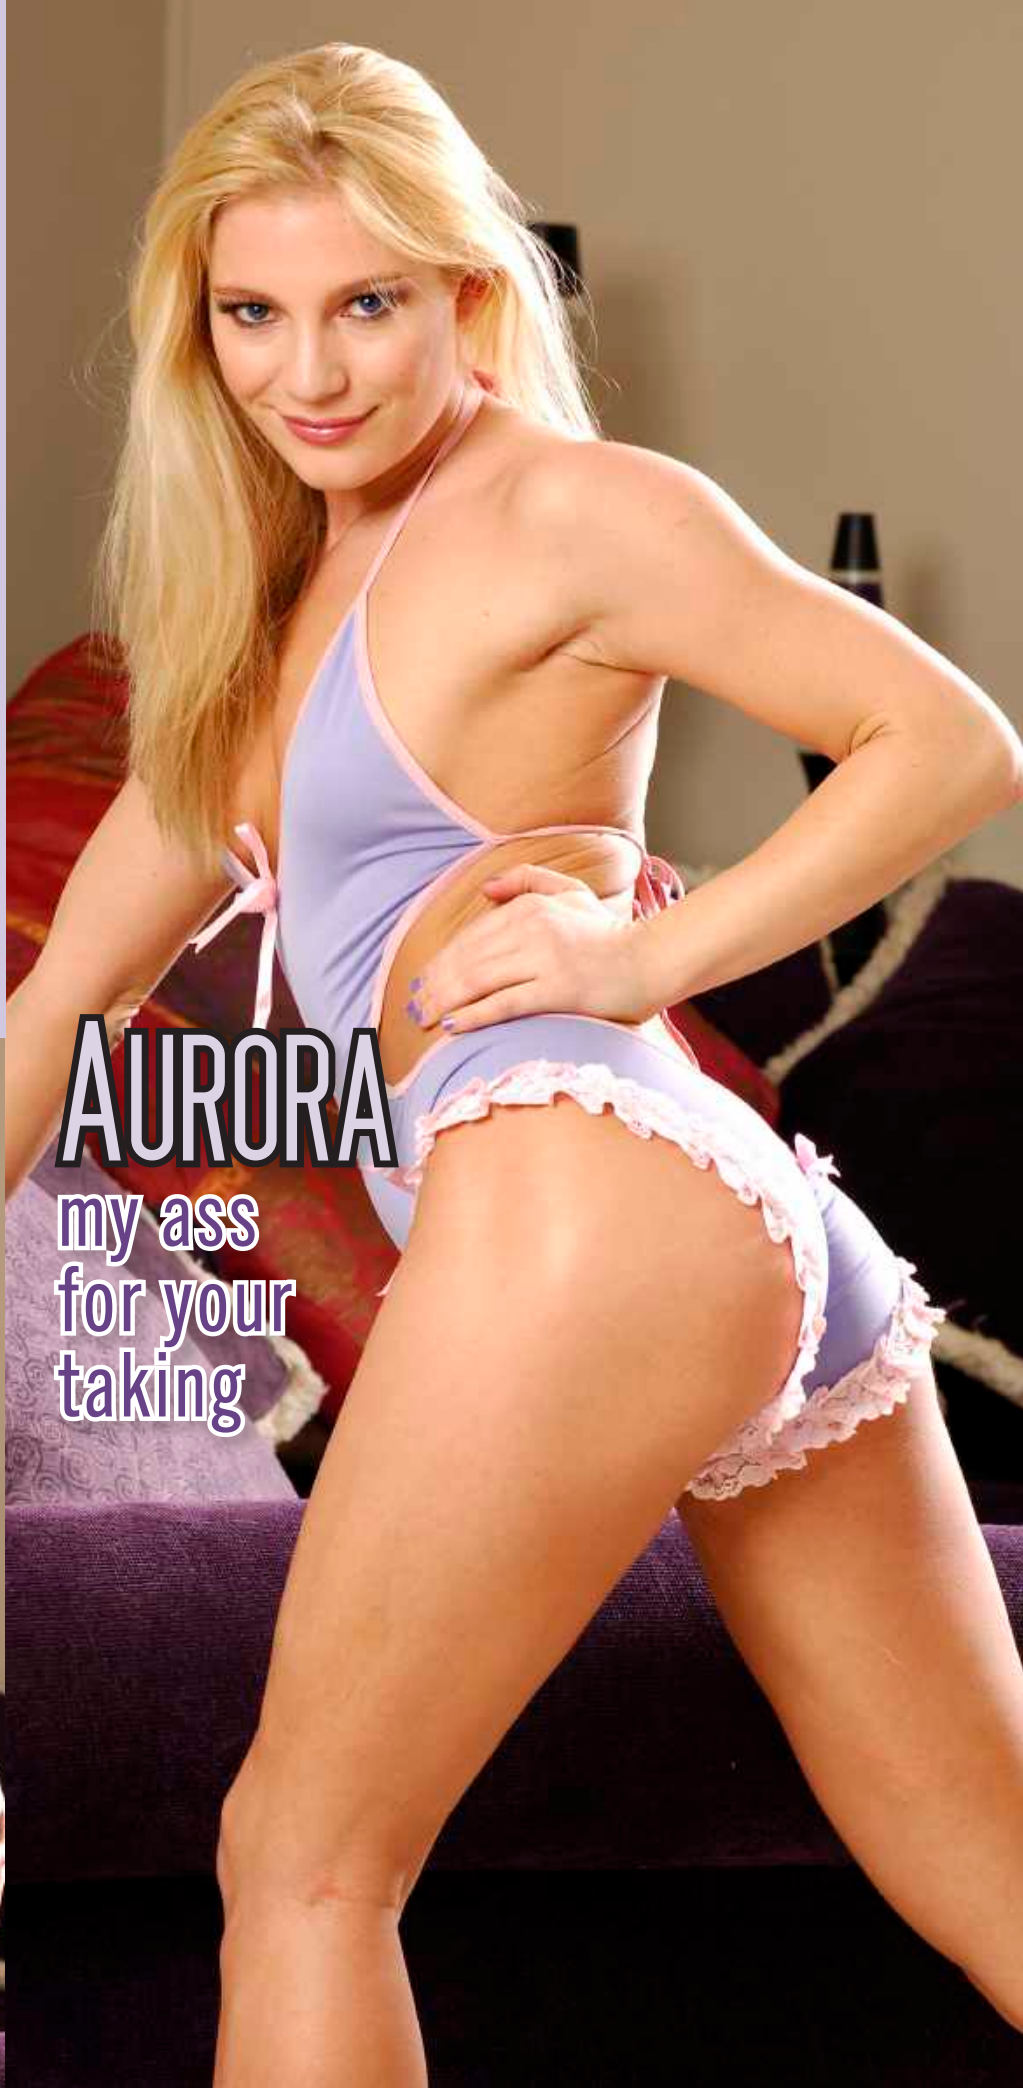

that first day.

I love her and she loves our sex more and more. But every time we have anal sex, I stick my dick up her ass she's in paradise and lays there with her mouth open and her eyes rolled inside out but tends to doze off because my dick is inside her for hours. She tells me it feels so good, she can fall asleep during any intercourse. We have the best sex possible, she is so addicted to me and never wants me to go. I try not to go, but I always try to come.

I offer Nick a glass of wine since I already have a head start but he declines. I tell him to drop trou and immediately I start on his big cock. I love the taste of cock in the afternoon, and I love to have it deep in my pussy. I get all wet and horny waiting for it to split my slit and plunge inside. I don't think there was a spot in the house that we didn't leave our wet marks on. We played all afternoon. Now that was a lot of fun.

Ashlee loves to get her pussy eaten and Ramon obliges with great zest. When he stood up, Ashlee started deep-throating his cock. Then she rides dick like she was in a rodeo, until he slammed her pussy from behind while she screamed. Then, after coaxing his love juice out of his hard cock with her mouth, she awaits it to splash on her voluminous boobs, and we love it!

HOW DO I REPAY THIS GUY?

888-666-5652

MUST BE 18+

doing my wife's best friend

I satisfy my wife and her BFF – and everybody's happy.

I am a happily married 33-yearold man who is in love with my wife. Kathleen is very romantic and warm natured and has always desired her dick-ing about two or three times a week.

Kathleen is a very prim and proper lady in public, and to meet her on the sidewalk one would never believe that she frequently becomes a choking, clawing wildcat in bed at night, panting out the filthiest words you could imagine as she enjoys our sex.

Some six years ago her best friend's husband passed away, and her friend (whom I'll call "Helen") came to live with us, which was fine with me because I have always really liked her too (she is now 40).

Helen is a quiet, shy woman, and just like her younger friend, prim and proper. She has always been extremely careful how she sits around me, mindful not to give me even a peek at her knees. Since she was lonely and had trouble living on her own now, we fixed up a room for her. She would either lie on her bed and nap, or sit and chat with Kathleen and me or watch TV with us.

Because of the way both women act I am still in a state of mild shock at what has been going on. You see, for the past four years I have been fucking Helen, too. And, my wife knows about it, and does not mind.

In fact, it was partially Kathleen's idea that I "take care" of her friend now and then. And Helen knows that she knows it, too, although it is never mentioned among us. I cannot remember exactly how it came about, but I can certainly remember the high points which led up to it.

One Sunday afternoon my wife came to me, grinning slightly, and took my hand. I went with her, wondering

what she had in mind as she laid a finger across her lips for silence. She took me to the door of Helen's room and indicated that I should peek in. I did so, and she was lying flat on her back, dressed only in her flimsy nightgown, fast asleep away. Her huge tits had fallen out of her gown and were draped heavily over her chest, both big light brown nipples in full view.

I glanced at my wife, who was watching me, her fingers pressed to her lips to hide her grin, and she quietly shook her head, then led me away. Kathleen led me all the way into the kitchen before she stopped and turned to me, still grinning impishly.

"You didn't know that Helen had such big ones, did you?" she whispered, her eyes dancing in mischief. I just stared down at her. I could not believe that Kathleen had actually taken me to see her own friend's naked breasts! It was not at all like her! Not my proper Kathleen!

I had honestly never lusted after Helen; but I must admit that I had felt turned on by her huge tits and big legs and rear end. That evening my wife again astonished me by shyly teasing her friend about the way she had napped, and the sight she had innocently given us. Helen blushed profusely and turned her face away, but she laughed good-naturedly too, not the least bit offended.

After that it seemed that Helen was not nearly as careful how she sat in my presence; she gave me frequent views of her dimpled knees and milky thighs. I was beginning to grow more curious about her. And about Kathleen too.

Maybe I was a bit stupid concerning the things which were happening more and more frequently around the

house, but you must remember that this was my very proper wife, and my very proper wife's very proper friend.

Kathleen was growing more and hornier in the evenings, sitting on my lap and squirming about, hugging me and kissing me in front of her friend while she grinned and watched us. They did a lot of whispering and giggling too, I noticed.

One evening, when Helen had showered and had called out from the bathroom for a towel, Kathleen tossed one to me and told me to take it in to her because she was busy. So I took the towel to the bathroom and knocked on the door. It opened a few inches and I thrust in the towel. In that flash I definitely caught a glimpse of her huge bare tit and a bit of her bush as well.

Helen was grinning and blushing

as she closed the door. She knew I had seen her tit, and possibly her pussy too. She knew it! But had it been deliberate?

At last I began to think seriously about trying to fuck my wife's best friend. Kathleen was becoming noisier and noisier at night during our sex, crying out for me to fuck her harder and faster, yelling that she was coming, etc., obviously aware her friend could hear and yet not seeming to care.

"I'm getting worried about Helen, Dave," my wife murmured to me in our bed one night. "Worried? Why? What's wrong with her?" I asked instantly.

"Nothing serious," Kathleen said. "We had a talk today while we were alone, and she finally admitted some things to me."

"Things? Like what, honey?"

"Well, she needs a man, Dave," Kathleen blurted softly. "She needs to get fucked once in a while, someone who she likes and trusts and who won't look down on her." Kathleen hesitated. "She has sex on her mind most of the time, she told me. She really poured out her heart to me today, and I felt so sorry for her, Dave. She isn't a bad woman, honey, but ... damn it, she's human, and she needs sex just like the rest of us. I'm afraid she's getting hooked on masturbating."

"Masturbating? You mean Helen masturbates? She jacks herself?"

"Sure," Kathleen said. "Everyone does, but I think she's going overboard with it. She told me she masturbates at least twice each night before she goes to sleep, then again in the morning before she gets up. I've heard that it won't harm you, but I still think that she's doing it much too much."

I could not believe it! Helen masturbating? Well, I'll be damned! So, the proper Miss Prim was human of after all! I felt myself grinning up at the darkened ceiling.

"Honey?" Kathleen whispered beside me.

"Yes?"

"Um . . . have you ever pretended that it was Helen you were fucking when we do it?" she asked shyly. "Tell me the truth. I won't get mad. Do you ever pretend that it's Helen?"

"Well, maybe a couple of times," I

admitted. Kathleen laughed softly and hid her face in the side of my neck.

"I wonder what she'd say if she knew that," she whispered. Her fingers crept down my belly and located my erect cock lying on it. She chuckled softly again. "Well, well. What made him get all hard? Does he want to diddle tonight, baby? Hmmm? Does he?"

So, we "diddled," and the longer I fucked her the louder she got, sobbing and whimpering and gasping out to me to fuck her faster and harder, fully aware that Helen could hear.

After we finished and my wife lay asleep beside me I lay thinking about the things she had told me. I was convinced Helen wanted to have sex with me—and that Kathleen was all for it.

The next day was Saturday, and Kathleen announced early that she was going shopping. I offered to drive her, but she declined, telling me to stay home and "keep Helen company." Then she drove off.

She hardly had left the driveway when Helen entered the living room dressed in a housecoat, her skin looking moist after her morning shower. "Where's Kathleen?" she asked.

"She went shopping. She'll be gone for a few hours," I said. Her eyes met mine for a moment, and then she turned away, blushing wildly. She went to the window and peeked between the curtains, then let them fall together again. "You've just bathed, haven't you?" I asked. "Why didn't you call me? I'd have been glad to wash your back for you."

She laughed, keeping her back to me. I just knew they had planned it. They had planned on leaving Helen and me alone like that, but Helen had not yet gained the courage to take advantage of the fact. So I decided to do something about it. I went to her and slipped my arms around her waist from behind. She stiffened very slightly. "You smell good," I whispered. "You smell like pussy."

A funny little laugh bubbled up from her. "You can't smell my pussy, Dave," she said. "I've just showered and washed it. I have the cleanest pussy around." A thrill quivered through me at her words. I never dreamed that

I would ever hear my prudish wife's friend utter such a word. My dick was already rock hard, and I crushed it deliberately against her plump ass.

"I want to fuck you," I murmured into her hair. She stiffened again. "What about Kathleen?" she asked.

"Kathleen knows," I said.

Helen nodded briefly. "Then she spoke with you," she said. She laid her head back on my shoulder. "God, I want it, Dave," she whispered. "I want it so badly that ... I hurt. It's an ache."

I took her hand and led her into her room. She stood blushing and trembling as I opened her housecoat and slipped it off her, leaving her totally naked. Her nipples were stiff and puckered in excitement. Her hips were wide and soft looking, her thighs full and creamy, her pussy swelling forward eagerly, covered by a triangle of thick, curly, dark hair. "Take me! Give it to me, Dave!" she blurted in a funny little voice. "God, I think I'm ready to go off right now..."

Quickly I removed my pants and boxers, then pushed her gently back across her bed. Her legs opened in shameless welcome to me, fully exposing her soaking-wet pussy, its swollen

lips and quivering crack in full view of me for the very first time. I sank down on top her between her lifted knees, one hand guiding my throbbing cock toward the pouting womanhood. The tip touched, and then went sliding easily into her scalding vagina.

An animal sound rose up from her throat as she felt herself getting penetrated for the first time in years. Her fingers clutched at my upper arms, her eyes glazing over as they stared up at me. Yet again I was astonished; this time over the tightness of her pussy. It sucked and tugged at the length of my tool. I could feel Helen squirming under me too, her ass sort of moving gently. "Damn, what a tight one you have, Helen!" I whispered, shoving it to the root inside her. I lifted once, and then drove it back into her to the hilt again.

"Oh, my god!" she suddenly gasped, her eyes bulging up at me. "OH!" Her ass was heaving and surging up and down, her belly smacking mine sharply. She was coming! I had only slid my dick into her and had given her one single pump, and she was coming! She must have been hot as hell.

At last it was over for her, and she relaxed slowly. Her eyes opened and she stared up at me, and then blinked. A beautiful smile lit up her face, and she laughed. "Wow! I don't believe that!" she panted, beaming happily. I grinned, my dick still buried in her pulsating pussy. "Wow!" she panted again, still beaming, her face flushed and moist. "I felt it from the tips of my toes to the top of my head. I never went off so quickly in my life!"

Feeling understandably proud of myself, I began to pump into her. "Slowly, Dave, slowly," she whispered, her eyes going shut again, her plump ass starting to writhe under me again. "Do it with those long, deep strokes. Yes, that's right, baby. Slowly. Oh, that feels good, Dave, so good. God, I love it. It feels so good to me."

"Do you think you'll cum again?" I asked.

"Oh, yes. I can feel it already. Just keep doing it with those long, slow, deep strokes. Do you like it, Dave? Does it feel good to you too?"

"Yes, Helen," I muttered thickly. "You have the tightest pussy I ever—"

"That's because you have a cock like a horse, baby," she said. "Every time you push into me it feels like the head is coming clear up under my tits. You fuck better than any man I have ever known, and I mean that. No wonder Kathleen does all that yelling in here at night."

She drew my face down beside her own flushed one. "Go faster now, Dave. Make me cum again. Fuck me! Fuck me!" In minutes she was singing her happy little song again, her fingers clawing at my arms and shoulders, her hips twisting insanely.

When I finally got my pants back on and left, she was lying across her bed, her eyes closed, smiling. Her big legs remained open, hot semen oozing from her pussy. I was convinced that she and Kathleen had planned it from the start. Minutes later I heard the toilet flush. I was still in a state of mild shock, I think.

When Kathleen came home she was all smiles, totally ignoring the way Helen blushed furiously when their eyes met. She went into the kitchen and began to put the groceries away. I stepped up behind her and put my arms around her waist. "I fucked her," I breathed.

"I know it," my wife murmured, celery in her hand. "I knew it as soon as I saw her. She looked that way after Dan used to fuck her." She hesitated briefly. "Was she any good?"

"Yes," I said. "Very good."

"As good as I am?"

"Don't start that," I replied.

Kathleen turned in my arms, smiling up at me. "I won't," she said. "Did she cum for you?"

"Yes."

Kathleen nodded. "Good. She needed it."

That was four years ago, and I am still banging the two of them, although never at the same time. Neither of them will hear of it. They both know that I would like to get them into the sack at the same time, but it's no use.

I sleep with Kathleen on Mondays, Wednesdays and Fridays, and with Helen on Tuesdays and Thursdays, and now and then on Saturday or Sunday nights. Fortunately there is not a trace of jealousy between the two women, although sex is still never mentioned among us. It is silly in a way, but that

is the way they prefer it. I am fucking both of them, and they both know it, yet it is never mentioned.

And, I dare not put a hand on either of them in the presence of the other. Sometimes I will enter the room naked where they both are and Kathleen

will scold me gently, but Helen will just smile at me. Thus far I am not having any trouble keeping them content, but I do not know how long I will continue to be able to fuck every night. I will cross that bridge when I come to it.

Helen was pretty reluctant to let me go down on her, being a bit old-fashioned. But I think Kathleen might have talked with her about it, because one night she just told me to go ahead and lick her pussy if I wanted to. She discovered that she likes to be "eaten" too, the way she came all over the place for me. Since that time she has let me eat her any time I want.

Sometimes my wife will notice us looking at each other in "that" way, and go for a walk to leave us alone. Or Helen will retire to her room and leave Kathleen and me alone to do our thing.

So, that's my story. I hope it continues for a long, long time.

ANGELA & BILL

Just another day at the office. The hiring process takes a long time. With so many interviews and all the paper work, it's finally time for a much needed break. Time goes so slow and it's only 2 pm. Another three hours to go. Maybe this next guy will be the one to fit the bill.

I LOVE WHAT'S HAPPENING HERE
888-664-5347
MUST BE 18+ TO CALL

I love the feel of a really hard cock in my mouth and in my pussy. Whenever I need that stimulation, I pick up the phone and call Dick to come and service me. I tell him my best orgasm is after a lot of foreplay, when my clit is played with for more than a few minutes. So if I can get that much pleasure out of this little thing called a clitoris, I can just imagine the pleasure you guys must feel with your big hard dicks. And I wanna help you feel that!
